

COMMITTEE TO PROMOTE SQUARE DANCING (CPSD) REPORT

October 2006 by Karl Arnold Belser

Caller Vicki Woods conducted Square Dance Introduction Parties all summer at the Camden Community Center. One to three squares danced every night in July and August and the CPSD collected many potential students for Sam Shilmover's fall CPSD class. Many thanks go to Vicki for a job well done.

Vicki is conducting a Wednesday afternoon drop-in square dance class from 2 to 4 PM for seniors at the West San Jose Community Center at 3707 Williams Road in San Jose. She recruited several new dancers out of the drop-in activity.

The CPSD thanks the following stars for their outstanding performances at the three Tapestry Arts Hoedowns in downtown San Jose: callers *Eric Henerlau & Sam Shilmover* and cuer *Sue Harris* on Saturday Sept. 1: callers *Scot Byars & Sam Shilmover* and cuer *Erin Byars* on Sunday Sept. 2, and callers *Harold Fleeman & Roger Smith* and cuer *John Flora* on Monday Sept. 3. Thanks also go to *Sharon Shelgren*, a Tapestry board member and Sunnyvale Singles club member, who provided a prominent location at the corner of Almaden and San Fernando, *Tex Tyner*, of The Outlaws and Adobe Systems, who provided parking and 110 volt power to the dance location, *Joe Carboni, Jackie Daemion, and Karl Belser* for the initiation of these hoedowns, advertising and logistical support. The hoedowns were an outstanding recruiting event and a joint effort between CPSD and the Sunnyvale Singles Square Dance Clubs.
