

CPSD CLUB CHATTER

August 2008

The CPSD class, taught by *Sam Shilmover*, graduated 15 new dancers at the end of May. The students have joined many clubs including Elks & Does, Katydids, Rockin' Jokers and Westminster Squares.

During June and July we held a Plus/APD Workshop, called by *Roger Smith*. Four to five squares of dancers enjoyed the fun.

We continued our celebration of summer with a potluck at the home of *Karl Belser & Jackie Daemion* on June 21. We had lots of fun even though that was the worse day of the heat wave!

CPSD will take a break for August in order to prepare for three free hoedowns at Tapestry Arts Festival in downtown San Jose over Labor Day Weekend, co-sponsored by Single Squares of Sunnyvale. The callers will be *Eric Henerlau & Sam Shilmover* on Saturday, *Jim Osborne & Keith Ferguson* on Sunday and *Roger Smith & Kenny Carroll* on Monday. We hope you will come by and dance with us. If you have a class planned, please bring your flyers. See the ad in this issue for details.

The CPSD class will start on Thursday, September 4, with *Roger Smith* calling. If your club is not having a class, please bring new dancers to CPSD and Angel them with us. We hope to have Angels from lots of clubs so that the students will get to know what a wonderful community square dancing represents.
