

## CPSD CLUB CHATTER

March 2009

By Jackie

I would like to add my condolences to the families of *Joe Carboni*, who was a member of the Board of Directors of CPSD and an avid dancer, and of *Bill Davis*, a true icon in the square dance world.

Our class is well along into learning the Plus calls. *Roger Smith* continues to provide an interesting evening of dancing and learning each Thursday night at the Camden Community Center. We are enjoying the company of Angels from 11 clubs so the class is having the opportunity to get to know the community, which is our goal.

If you are looking for something to do on Thursday evenings, please consider joining us. We dance from 6:30 until 8:45 and then you will find many of us at the Round Table across the street. Angels dance for free.

The class is ready to start attending party nights or other club activities so they can get to know all of the clubs as they decide where to join when the class finishes in Mid June.

For directions to our class and more information about CPSD, please go to [www.c-p-s-d.org](http://www.c-p-s-d.org).
