

CPSD CHATTER  
December 2009  
Jackie Daemion

One more Happy 90<sup>th</sup> Birthday to our most loyal angel, *Tillie Tillman*! Tillie dances with the Katydids and the Rockin' Jokers every week and still never misses our class. Whenever I hear someone say that they are too old to dance I say "HA!"

The CPSD September Level Class is going strong. With several returning dancers as well as new recruits, there are usually about 20 students and lots of angels from the nearby clubs. The class dances on Tuesday evenings at the Camden Community Center, 3369 Union Avenue, San Jose. Angels who belong to a club always dance for FREE.

On most Saturday mornings, you will find many enthusiastic new callers and helpful dancers at the CPSD EARLY BIRD CALLER CLUB, also at the Camden Community Center. There is exciting news about this program – on January 16, The Club will start a new class with the new callers doing the teaching. There are already a couple of people signed up to learn to dance and we expect to have a good turnout of new dancers as well as Angels. This class will follow the schedule of the other January classes so, if your dancers want more floor time, send them to Camden. We will also let our new dancers know about the other classes in the area where they can go to get more practice. The schedule of dates for this class is listed on our website. If you are in the neighborhood, we'd love to have you join us. Everyone, new dancers as well as Angels, dances for FREE!

Please join us for our September Level New Dancer Hoedown on Saturday, December 5 at Muir middle School in San Jose with callers *Roger Smith* and *Rich Reel* showing the new dancers what a good time we all have. *Shirley's Second Chance Clothing* will also be on hand for your shopping pleasure.
