

## CPSD CHATTER

March 2010

Jackie Daemion

Both Our CPSD September class, taught by *Roger Smith*, and the Early Bird Squares January class, taught by the Caller Team of *John Caywood, Tork Clark, Gary Evans* and *Diana Hilliard*, are doing very well, with a total of over 30 new dancers. If you are in the neighborhood of the Camden Community Center in San Jose, on either Tuesday evening, 6:30 – 8:45, or Saturday morning, 10:30 – 12:30, please stop by and enjoy a tip or two. Angels are free on Tuesdays and the Saturday class is free for everyone!

Some of the September level new dancers from the Tuesday class are angeling at the January class on Saturday, so we are having lots of fun.

Thanks to all who attended our February New Dancer Hoedown. *Jim Osborne & Keith Ferguson* did their usual stellar performances and everyone was well entertained. *Shirley's Second Chance Clothing* was also an added attraction at the dance.

Many of our dancers enjoyed the tasty breakfast, Shirley's Second Chance shopping and fun dancing at the *Pioneer Squares Triple Treat* on February 28. That is always a fun way to spend a Sunday. Special thanks to *Jim Wylie* and all of the other callers who participated in that worthy event.

We are gearing up to accept applications for the Joe Carboni Caller Scholarships to be awarded to student callers for either the Norcal Callers School or any other approved caller training program. Details will be out later.

If you shop at Lucky, SaveMart or FoodMax, there is a very easy way to support CPSD. You can show our Lucky S.H.A.R.E.S. card and CPSD receives 3% of your purchase. It's free and there is no registration required. You can pick up a card at many hoedowns and clubs or contact us through our website and we will get the cards to you and your club.
