

CPSD CHATTER

April 2010

Jackie Daemion

Classes are doing well and, hopefully it has stopped raining!

In support of the January classes, we will hold a new dancer hoedown on May 22 at John Muir. We're not sure yet who will be on stage but we expect to put on a great show! Shirley's Second Chance Clothing will be there, too, so everyone, especially the new dancers, can shop.

Check the CPSD website for the application for the Joe Carboni Caller Scholarships, which will be awarded to student callers for either the Norcal Callers School or any other approved caller training program. Several of the new callers who attended last years' school are doing very well and are to be commended for their hard work to learn to call.

Mark July 24 on your calendar for our Second Annual STARLIGHT HOEDOWN with *Scot Byars & John Flora*. You will be hearing more about this dance later.

For more information about our activities, please visit our website at www.c-p-s-d.org.
