The Butterfly Ball January New Dancer hoedown on May 22 was a big success. Thanks to all of the angels for coming out to support our newest square dancers. *Lawrence Johnstone* put on a great show.

Our September class will have a completion celebration on Tuesday, June 15. Guest Angels are always welcome. Those new dancers are enjoying dancing with several clubs around the area.

By the time you read this article, the caller scholarships will have been awarded and that will be announced next time. We have some exciting applicants for the Norcal Caller School in August.

Saturday, July 24 is our Second Annual STARLIGHT HOEDOWN with *Scot Byars & John Flora*. We will be dancing under the stars at the Adira Dance Store parking lot – a fine summertime venue.

Mark your calendars for Friday, August 13 at the Camden Community Center, where we will be doing a pre-show for the Kiwanis FREE FRIDAY NIGHT FLICKS movie series. We will be performing before the movie, “Singin’ In The Rain” with *Roger Smith* calling. We hope lots of dancers will join us to have fun and to promote all of the upcoming fall classes.

Then, On Saturday, August 28, we will host a Square Dance Intro Street Dance, also at the Adira Parking Lot in Willow Glen, to advertise the fall classes. If your club is planning a class, please get the flyers to us in time for that date, as well as the August 13 Movie Night.
